REFLECTIONS FROM KAIROS OUTSIDE # 37 **THEME SONG: "PERFECTLY LOVED"**

Kairos Outside Weekend #37 was held at Eagle Rock Retreat Center Sept. 29th through Oct. 1st, 2023. Thirty team members met at 4 team meetings and worked in unity to prepare this weekend for the 15 guests that were able to come. The Spiritual Directors brought to us the life of the Holy Spirit at the meetings to unify us, and they deeply cared for the guests and ministered to them at the weekend. The team was eager to serve in any called capacity to make this Kairos time for the guests. Love was all around and was manifested in the hugs, tears and sharing of deep and personal fears and issues. Many of the guests thought they had come to the weekend for their loved one and realized that it was really for them. That showed that God had special plans for them.

The profile of the guest list was mixed in ages, color, and denominations. Their situations were different, the issues the same. God connected with them in His perfect love and brought them into friendships that will be lasting and meaningful.

Closing was the best experience for me. To see the majority of the guests want to share with the Community expressed to me the confidence and trust they found with Kairos Outside. I can say, Hallelujah! Praise God and I thank Him for this wonderful experience! I will come to the feet of Jesus and pray that He protects them all and brings them to SWAP groups.
