There is a group of people who work all year long, behind the scenes, to keep Kairos Outside Northeast Tennessee going. They make up our Advisory Council. They always welcome assistance in each area, especially in Outreach and Recruiting, Fundraising, and Continuing Ministry. We would love to come to your church, Bible Study or small group and give a presentation on what Kairos Outside is all about and who we are. #### **Donations:**

Online donations made on the Kairos Prison Ministries International website and designated for KONET, paying with credit card or paypal, will take up to 30 days for those funds to be transferred to the Kairos of Tennessee bank account, and more than likely will take even longer for them to be designated to KONET by Kairos of Tennessee, as the designation of funds is usually completed once a month around the 27th of each month.

For easier/faster turnaround for donations made online, KPMI has suggested that we refer contributors to the Kairos of Tennessee site for all donations. Please understand that donations made online, either on KPMI or KOT, will not result in immediate receipt of funds.

Changing Hearts Transforming Lives Impacting the World

#### **Our Mission**

The mission of Kairos Prison Ministry is to share the transforming love and forgiveness of Jesus Christ to impact the hearts and lives of incarcerated men, women and youth, as well as their families, to become loving and productive citizens of their communities.

#### **One Ministry, Three Programs**

The Kairos Inside program goal is to build a continuing Christian community inside the institution through Prayer and Share accountability groups, and monthly Reunions organized by Kairos Graduates and volunteers. The initial Weekends, held in both male and female institutions, are 3½ days based on a series of talks, discussions, chapel meditations, and music.

#### Kairos Outside

The purpose of Kairos Outside is to demonstrate God's grace and love through Christian support for women who have relative/friends who are or have been incarcerated. The goal is to provide a safe place to encourage the sharing of one's life journey, to create an opportunity for a relationship with God, and to promote participation in Support Groups.

Kairos Torch is a mentoring program for incarcerated offenders, ages 25 and under. The Weekend introduces incarcerated youth to Christian concepts as a means of making better choices for their lives. The Weekend is then followed with an established six month one-to-one weekly mentoring program that encourages the youth to remove their masks and see themselves as God sees them.

What I learned at Kairos is that God doesn't hate me, He just hates my sins; the volunteers taught me that He is a forgiving God— no matter what. Kairos Graduate Kairos is a stepping stone to changed lives...there is evident change in those who've attended. They now have tools to make better decisions and choices in their lives.
